

# Summer of Success

Preparing and Empowering Employment Ready Adults With Autism

## July 9 - 19, 2024

The Dr. Gigi's Raise Me Up Foundation "Summer of Success" program helps prepare and empower employment ready young adults with Autism and Learning Difficulties as they enter the workforce and beyond.

The two week Summer of Success program will offer candidates job training skills, as well as, community exploration field trips to businesses and corporations to broaden and expose these job ready applicants to real life employment opportunities.

### Experiences

Participants will experience a variety of work and employment environments to see their interest in use in the real world.

### Job Readiness

Participants will work on the following vocational skill to prepare and be ready to apply for a job including

- Communication and Interview Skills
- Resume Building
- Job Coaching
- Work Place Do's/Dont's
- Business and Corporate Field Trips
- Mentoring
- Workplace Advocacy
- Social Skills Training
